How can I align multiple CSS tags to

the bottom? I am trying to style my footer. I have a div container with an anchor tag, and inside that div is another anchor. See this example.

Footer Hover this Text Link Three The problem I am having is that on different screen sizes, I need the hover text to be aligned to the bottom of the footer, not the top. Here is my CSS: footer { color: #0a0a0a; font-family: 'Oswald', sans-serif; margin-top: 50px; padding: 20px 30px; background-color: #f6f6f6; text-transform: uppercase; letter-spacing: 1px; font-weight: bold; } footer a { color: #0a0a0a; font-family: 'Oswald', sans-serif; font-weight: 300; letter-spacing: 1px; font-size: 15px; text-

transform: uppercase; } footer a:hover {
color: #3a3a3a; font-family: 'Oswald',
sans-serif; font 570a42141b
