It was launched by Stanislav Yashenko. Teraz.tv was the only channel on the Ukrainian cable networks where gamers could watch

their own videos and communicate with others from all around the world. The channel had posted a warning notice on its homepage stating it would cease broadcast at 21:00 GMT on February 5, 2014. The channel's homepage was offline as of December 31, 2014, but Teraz.tv's web-site and YouTube channel remain accessible to all. Network Teraz.tv was based in an office of the Kyiv Stock Exchange in Kyiv, Ukraine. Its signal was broadcast via the Internet television standard IPTV. Preliminary dates for the launch of Teraz.tv, in Kiev, Ukraine, were set

for May 29, 2012. The current Head of Production and Programming is Artem Ural. The channel broadcast in 13 languages: English, Ukrainian, Russian, German, Polish, Czech, French, Croatian, Turkish, Spanish, Italian, Turkish and Russian. Main Programmes Teraz.tv broadcast the following content: Regular LIVE shows Main shows that started broadcasting live on September 12, 2013, the following are some of them:
